

COMBINED DECLARATION AND POWER OF ATTORNEY
FOR PATENT AND DESIGN APPLICATIONS

As a below named inventor, I hereby declare that: my residence, post office address and citizenship are as stated next to my name; that I verily believe that I am the original, first and sole inventor (if only one inventor is named below) or an original, first and joint inventor (if plural inventors are named below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

ELECTROMAGNETIC CONTROL VALVE

the specification of which is attached hereto. If not attached hereto, the application is identified by the attorney docket number set forth above and/or the following:

The specification was filed on _____ as
United States Application Number _____
and amended on _____
the specification was filed on _____ (if applicable) and/or
International Application Number _____ as PCT
amended on _____; and was
[I hereby state that I have reviewed and understand the specification (if applicable)]

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. (if applicable)

I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. § 1.56.

I do not know and do not believe the same was ever known or used in the United States of America before any or our invention thereof, or patented or described in any printed publication in any country before any or our invention thereof or more than one year prior to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representative or assigns more than twelve months (six months for designs) prior to this application, and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or any legal representative or assigns, except as follows.

I hereby claim foreign priority benefits under Title 35, United States Code, §119(a)-(d) of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed: 2007-0018583
